8:30am Training Program Begins

Rainier Square Conference Center

√ This is a mandatory training for certification as a Professional Guardian in Washington State. Full attendance for both days is required for successful application to the Washington Certified Professional Guardian Registry. However, please note that completion of the training is only one component of the application process and does not by itself guarantee certification. Please research required qualifications and application procedures prior to registering for this training. Information about qualifications and application can be found by going to:

http://www.courts.wa.gov/programs_orgs/pos_guardian/

√ All registrants will be required to sign-in and sign-out. Because full attendance is required, late arrivals or early departures must be brought to the attention of the Registry Manager.

√ This training is for initial certification of Professional Guardians and is not the same training as Title 11 Guardianship GAL, Title 26 Family Law GAL, Title 13 Dependency GAL or Adoption GAL training.
