Helen Knudson Pulsifer

December 26, 1928 ~ July 1, 2016

Helen Pulsifer had an unflinching moral compass. She was a dedicated civic servant and role model and mentor to her children and many others. Her lifelong commitment was focused on helping to effect change throughout her community for the betterment of all. Through the International Union of Students, League of Women Voters, Municipal League of King County, YWCA, Seattle King County Bar Association, Washington Literacy, AARP and many other associations, she worked on issues facing us all. From civil rights to the anti-war movement to gay rights, from local government watch dog activities to senior guardianship concerns, she studied, learned, shared and acted to build community.

Helen was preceded in death by her husband, Dan D. Pulsifer and her sister, Marian (Nan) Gruber. She is survived by her brother, Robert Knudson (Sybil), her children, Lindsay Diane Pulsifer (Joan Pitell), Janet Pulsifer, Luke Pulsifer (Linh) and Dave Pulsifer, her grandchildren, Kate Pitell and Logan and Julia Pulsifer, and a large extended family.

A gathering and celebration in her honor will be held at the house she loved to wake up in and into which she welcomed so many friends. Join us on July 17th at
