### **eFiling Application Release Notes**

Build 3.2.0

The below eFiling application enhancements and modifications will be available as of Monday, July 25, 2011.

#### **eFiling Application Enhancements**

- Approved customers can now use a voucher as a payment option when eFiling a document that requires a fee into an existing case.
- When e-filing a petition for modification in a Family Law case you will now be prompted to upload required documents.
- All customers can now view uploaded documents listed on the summary page prior to selecting "e-file now".
- Information about the Working Copies application in E-Filing is now more visible to e-filers.
- Customers will now have the ability to access and use the Ex Parte via Clerk and Working Copies components directly from the home page without first having to e-file a document.
