| Real Estate-Property Law and Transactions | |

KeyRules – Westlaw Exclusive

Editorial discussion, analysis, and practice tips, including rules and procedures for formatting, filing, and servicing different types of pleadings and motions, checklists listing all necessary documents and deadlines. Interlinked with related Westlaw content, including court rules, case law, statutes, similar motions filed recently in the same court, relevant court forms, treatises, and practice guides

KeyRules – Washington – State Superior Court
 KeyRules – Washington – U.S. Bankruptcy Court
 KeyRules – Washington – U.S. District Court

Jury Instructions

Instructions drafted with clear, concise language that is understandable to the average juror. Committee notes citing caselaw or statutes accompany many of the instructions. Use Notes suggest when and how an instruction may be modified as well as when it should be omitted.

Washington Pattern Jury Instructions – Civil
Washington Pattern Jury Instructions – Criminal

Forms and Form Finder

Intended to serve as a key resource for the busy practitioner who must solve form-drafting problems on a day-to-day basis. Westlaw forms provide the solutions and point out the necessary steps to draft a form that meets a client's legal and business needs and conforms to controlling Washington law. It assists in every phase and at every stage of the legal and business form-drafting process
