CLE COURSE ATTENDANCE REPORT
COMPLETE THIS FORM ONLY FOR *LATE ARRIVAL OR EARLY DEPARTURE*

The purpose of this form is to notify the sponsor listed below if you have earned less than the available credits while attending this CLE course.

Under Washington State MCLE Rules (APR 11.6(a)(1)), sponsors must report attendance at each CLE course. The sponsor's report is based on confirming your attendance as you arrive and the receipt of this form as you leave if you choose to attend only part of the CLE course.

- If this form is not returned, the sponsor will presume that you have attended the entire CLE course and earned full credit.
- If you did not attend the full CLE course, this form must be returned to the sponsor.

How to calculate general/ethics credit:

One credit is equivalent to one hour (60 minutes) of instruction time at an approved CLE course. Credits can be obtained in quarter-hour increments: 15 minutes of instruction equal .25 credits. No credit is given for breaks. Contact the sponsor if you have questions about which sections of the program, if any, have been approved for ethics credit.

For more information see the following web site or contact the WSBA Service Center.
